WELCOME TO OUR PRACTICE

Medical Arts Allergy, P.C.

www.medicalartsallergy.com

FOR ALL NEW PATIENTS

Prior to coming to our office, we would like you to take the time to read the following information. We have three offices. All offices, Carlisle, Mechanicsburg and Harrisburg, are open Monday through Thursday, 8 am to 5 pm, and Friday, 8:00 am to 4:30 pm.

The initial consult, physical and skin testing can take up to 3 hours. The consult and physical will be done before any allergy testing is done. **PLEASE BRING WITH YOU TO THIS VISIT ALL MEDICATIONS YOU ARE CURRENTLY TAKING.** This will assure that all information concerning your medications are up to date in our records. **PLEASE BRING WITH YOU OR HAVE SENT/FAXED TO US any recent medical records for the doctor to review:** Chest x-rays, sinus x-rays, CT scans or breathing tests will be helpful. **DO NOT BRING ACTUAL X-RAY FILMS, REPORTS ONLY.** Skin testing (by prick method) may be done at the first visit. You may have from (2) two tests up to eighty (80) tests done at this time. Most patients will have a return visit and a second set of tests. The second set of tests is usually done by the intradermal method.

DO NOT TAKE ANY ANTIHISTAMINES OR DECONGESTANTS FOR ONE WEEK PRIOR TO YOUR APPOINTMENT. *These medications will affect the testing.* A listing of these medications is on the reverse side. If you are experiencing HIVES you may continue on your antihistamine until seen.

INFORMATION ON BILLING AND PAYMENT

This information sheet is designed to help you understand the financial part of our practice.

COPAYS ARE DUE AT THE TIME OF YOUR VISIT.

If you do not pay your copay on the day of your visit, you may be charged a processing fee.

If services are not covered by your insurance -- The initial consult fee is between \$276.00 and \$440.00 payable at the first visit. Testing, usually done at the first visit, ranges from 2 (two) tests up to 80 (eighty) tests done by the skin prick method with a charge of \$10.00 per test.

Following the initial visit, a follow-up visit is usually scheduled for further testing and consultation with the doctor. This visit cost is between \$70.00 and \$178.00 with the number of tests ranging from 1 (one) test up to 30 (thirty) tests done by the intradermal method with a charge of \$11.00 per test. Our goal is to work with the patient in order to make a reasonable plan for payment of all balances. Our office policy is to have all balances paid within FOUR MONTHS of the first visit. Payment of 25% of any balance on a monthly basis is required. If this is a problem, we can set up an alternative payment plan.

Not every insurance company covers skin testing or the consult/visit. We advise you to call your insurance company **ahead of time** to find out if you have coverage for allergy treatment, office visits, skin testing, and allergy injections. Procedure codes for skin testing are 95004, 95024, 95017 and 95018. If you have an HMO insurance, you must contact your PRIMARY CARE PHYSICIAN FOR A REFERRAL. If you do not have a referral you will be responsible for all charges for that date of service. Your insurance company will also be able to tell you if this is a participating office.

ALL PATIENTS UNDER THE AGE OF 18 MUST BE ACCOMPANIED BY AN ADULT OR GUARDIAN.

MEDICAL ARTS ALLERGY, P.C.

Allergy Clinic Appointment Information

You have been scheduled for an appointment in the Allergy Clinic.

One aspect of this appointment may involve allergy skin testing. To ensure the accuracy of any diagnostic skin testing, please ensure you **do not use any antihistamines in the 7 days preceding your appointment and certain other medications.** If you are experiencing HIVES you do not need to stop your antihistamine prior to your visit.

Refer to the list below.

<u>Brand Name</u>	<u>(Generic Name)</u>
Advil PM/Tylenol PM/Benadryl	diphenhydramine
Allegra	fexofenadine
Atarax	hydroxyzine
Atrohist	chlorpheniramine
Bromfed	brompheniramine
Claritin	loratadine
Clarinx	desloratadine
Deconamine	chlorpheniramine
Dimetapp	brompheniramine
Kronofed	chlorpheniramine
Nolahist/Nolamine	phenindamine
Patanase	olopatadine
Periactin	cryoeptadine
Phenergan	promethazine
Rynatan/Rynatuss	chlorpheniramine
Semprex	acrivastine
Sinulin	chlorpheniramine
Trinalin	azatadine
Tylenol Sinus/Allergy	diphenhydramine
Vistaril	hydroxyzine
Xyzal	levocetirizine
Zyrtec	cetirizine

This list is not totally inclusive. Certain over-the-counter medications, especially “allergy” and “sinus” preparations, contain an antihistamine.

In addition, some prescription antidepressant medications such as *Pamelor, Trazodone, Doxepin, and Elavil*, have antihistamine properties and will interfere with skin testing. Check with our office prior to stopping these medications.

The following medications need to be stopped only 48 hours prior to your appointment:

Astelin/AstePro nasal spray	azelastine
Patanase	olopatadine
Patanol	olopatadine

Nasal steroid sprays such as Flonase (fluticasone) and Nasonex do not interfere with allergy skin testing. You do not need to stop these medications before allergy skin testing.

If you have any questions about using your medications prior to allergy skin testing, please call our office.
